

IMMEDIATE RELEASE

Bradford White announces launch of new Brute® XTR commercial boilers and volume water heaters

Trusted manufacturer empowers heating professionals with new robust, high-performing solutions designed to fit a wide range of applications

AMBLER, Pa. — Dec. 18, 2023 — [Bradford White Water Heaters](https://www.bradfordwhite.com), an industry-leading manufacturer of water heaters, boilers and storage tanks, announces the release of its new Brute® XTR commercial boilers and volume water heaters.

Brute XTR boilers and volume water heaters are available in six sizes, ranging from 399 MBH to 1500 MBH, and deliver AHRI-certified thermal efficiency of 96-plus percent.

“With the Brute XTR, we’re offering an advanced solution that meets the high standards of heating professionals in the field and empowers them to deliver the high-performing, long-lasting products their customers need,” said Louise Prader, senior director of product management for Bradford White. “The Brute XTR was developed to ensure our professional customers have a robust, easily installed solution that fits a wide range of applications.”

The Brute XTR line-up features:

- A reliable stainless steel, low-pressure drop water tube heat exchanger
- Dual venturi combustion system for 10:1 turndown
- PVC, CPVC or PP venting materials
- Variable speed boiler pump
- Top gas and water connections and easy access service panels for flexibility in installation
- Convenient touchscreen control platform
